

ROSE QUARTZ

Healing the Wounded Heart

Rose quartz helps for all kinds of love, not just romantic love. Friendship, family, Divine love, self-love, and parenting are all realms where it can support love and healing.

Rose quartz healing properties also include helping you fall in love with life again. If you are in a place in your life where you are tired, cynical, or even bitter, rose quartz can help you resolve and release past hurts and begin to trust life again.

Healing Properties of Rose Quartz

Rose quartz is the classic stone of love. It helps dissolve old hurts and open the heart to trust in love and have faith in the benevolence of the Universe. It has a melting effect on mistrust and suspicion and reawakens the heart chakra to the abundance of love available to it.
